

# Product Phased-Out Notice

Last Update: 01/06/2020

New IEC 62368-1 will become mandatory since 2020/12/20, especially in EU and North America, and is expected to be adopted in other countries shortly. Thus, PAPS formally announce that we have phased out following products which cannot meet requirement in product design of IEC 62368-1. This announcement will take effect immediately. Please review this phase-out notice carefully and contact your regional PAPS buyer immediately if your customers have any further inquiries on these items.

## Phase Out Reason

The manufacturer has decided to phase out the product as production is not economically viable.
